EDI Standards Update
March 2007

The following EDI information has been updated.

EDI Document	Update
830 – Material Release March 13, 2007	• Removed the following N1 ST segment comment: This segment is not sent in Parts & Accessories' 830s, but will be sent in all other 830s. • Added the following comment to the description column associated with LIN06 and LIN07: P&A 830s do not include this segment.
850 – Purchase Order March 13, 2007	• Removed all references to the carrier code of "HD", "HDTK" and replaced with "HECI". • Correct the N302 length of "1/25" to "1/55".
856 – Ship Notice March 13, 2007	• BSN 02, Description Column, first paragraph – Replaced "within one year" with "within 24 months (2 years)". • Page 14, LIN07 (PO Number) row, 862 Supplier Direct column – Replaced "LIN07" with "BSS02". • Page 15 – Removed REF SE segments from example as they are no longer part of the standard.
Appendix A March 2007	• Added the following Ship To code: o Buell P&A 414642303 2004 Beulah Avenue East Troy, WI 53120
