

# **830-SU Contingency Plan Supplier Downloads Planning Schedule from H-DSN**

**November 2006**

## Requirements

- The individual responsible for performing this task must have logon access to H-DSN. A User Name and Password is required.
- This plan is **dependent** upon H-DSN and Order Management being functional.
- This plan is to be implemented when the H-D Value Added Network, Sterling Commerce, has not received / processed the planning schedule.

# Instructions to Download Planning Schedules from H-DSN

1. Logon to H-DSN, [www.h-dsn.com](http://www.h-dsn.com), and enter your User Name and Password.
2. Mouse over the Menu button to open the first level menu.
3. Select Order Management to open the application.

The screenshot displays the Harley-Davidson Supplier Network interface. At the top, the logo reads "Harley-Davidson Supplier Network" with the Harley-Davidson emblem on the right. Below the logo is a search bar. On the left side, there are buttons for "Contact Us", "Links", and "Log-Out". A "MENU" dropdown is open, listing several options: "General Business Information", "Supplier Profile Manager", "Supplier Performance", "Order Management (Supplier)", "Administration", "Harley-Davidson News", "What's New Page", "Tutorials & User Guides", "Registration", and "Planning Schedules". An orange arrow points to the "MENU" button, and another orange arrow points to the "Order Management (Supplier)" option. The main content area features a news article titled "Harley-Davidson Supplier Network" with a sub-heading "Log Out - York OE Suppliers". The article text states: "We will be rolling out a new Pull Replenishment (OE) suppliers. For additional information on the new pull-out plan [click here](#)". Below the article is a section titled "Planning Schedule Data Modifications" with the following text: "Effective with updates occurring after June 30, Original Equipment (OE) Suppliers all electronic Planning Schedules sent by Harley-Davidson will provide 52 weeks of planned requirements. To view 52 weeks of planned requirements on H-DSN, it is recommended that the 52-Week User view be selected." and "Also effective after June 30, all Harley-Davidson sites will display daily OE requirements for the first 15 business days. The daily calendar can be selected after opening the worksheet to view daily requirements." At the bottom of the page, it says "Updated July 11 2005" and "© 2005 Harley-Davidson. All Rights Reserved." There is also a "Secure Site" logo in the bottom right corner.

4. Click the Downloads link.

The screenshot shows the 'Order Dashboard' for 'SVC - OE - PA SUPPLIER Z9991'. The top navigation bar includes 'F.A.Q.', 'Downloads', 'Preferences', and 'Help'. The 'Downloads' link is highlighted with a black box and an arrow from the instruction box above. The dashboard content is organized into sections: 'Plan Visibility', 'Firm Order Visibility', 'Advance Ship Notice Visibility', and 'Collaboration Visibility'. Each section contains a list of metrics and their corresponding counts or details.

5. The Download window displays.

**Planning Schedule** data is available in CSV (Comma Separated Value) and XML (Extensible Markup Language) file format.

The CSV file is updated daily and is an accumulation for all sites and all parts for the week.

The screenshot shows a web interface titled "Downloads! - Microsoft Internet Explorer". At the top right is a "Close Window" link. Below the title bar, there is a "Supplier ID:" label and a dropdown menu showing "Z9991".

The main content area is divided into three sections, each with a yellow header:

- Planning Schedules (EDI 830)**: A red text block states: "Planning Schedule data is available in a CSV and XML file format. This file is updated daily and is an accumulation of Planning Schedules for all sites and all parts as they are transmitted throughout the week. The files are cleared every Sunday to begin a new week." Below this is a dropdown menu set to "XML" and a "Get" button.
- P&A / GM Purchase Order(s) (EDI 850)**: A red text block states: "Purchase Order data is available in an XML format. You must provide a date range and optionally a part number to retrieve your open Purchase Order data." Below this are input fields for "H-D Part #:", "Need Date Start:" (with a date format "mm/dd/yyyy" and a calendar icon), and "Need Date End:" (with a date format "mm/dd/yyyy" and a calendar icon). A "Get" button is positioned below these fields.
- Ship Schedule(s) (EDI 862)**: A red text block states: "Ship Schedule data is available in an XML format. You must provide a date range and optionally a part number to retrieve your open Ship Schedule data." Below this are input fields for "H-D Part #:", "Ship Date Start:" (with a date format "mm/dd/yyyy" and a calendar icon), and "Ship Date End:" (with a date format "mm/dd/yyyy" and a calendar icon). A "Get" button is positioned below these fields.
